### **Upcoming “Fun” Events**

#### **Skiers Night Out**

Our next Skiers Night Out will take place on Monday October 1 at Woody’s on the patio fronting US 63 in the south part of Ashland. Social time, food, and drinks at 6 pm with 7 pm for any sort of organized meeting with pertinent info on skiing and other trips. Coming from the north, simply go under the overpass and turn right on Liberty Lane with an immediate right again back up to Woody’s Bar and Grill. There is lighting on the patio but not any heat.

#### **Missouri Wine Walks**

A list of Missouri Wine Walks taking place during May through October can be found in our Trip Flyers tab at our club internet site: <http://columbiajeffcityskiandboard.org>.

#### **RWRWRW**

Around a half dozen of us have got these mid-week evening bike rides set up, starting around 6pm and on various trails in and around Columbia-McBaine-Hartsburg-Rocheport trails. If you’re of the biking persuasion, just get with Cindy Deegan, Karen Philp, Laura Santini, Jim or Christiani Quinn, or myself to get more info on ‘em. These 10 to 12 miles rides always end with red wine at some picnic table. Act soon, cause these only happen in nice weather in May, June, & usually extending into July. And ok, if you really must know, it stands for: Ron’s Wednesday rides with red wine.
