Upcoming “Fun” Events

Skiers Night Out

Watch for the next Skiers Night Out likely sometime in July, possibly June, and preferably keeping with the Monday night theme.

Missouri Wine Walks

A list of Missouri Wine Walks taking place during May through October can be found in our Trip Flyers tab at our club internet site: <http://columbiajeffcityskiandboard.org>.

RWRWRW

Around a half dozen of us have got these mid-week evening bike rides set up, starting around 6pm and on various trails in and around Columbia-McBaine-Hartsburg-Rocheport trails. If you're of the biking persuasion, just get with Cindy Deegan, Karen Philp, Laura Santini, Jim or Christiani Quinn, or myself to get more info on 'em. These 10 to 12 miles rides always end with red wine at some picnic table. Act soon, cause these only happen in nice weather in May, June, & usually extending into July. And ok, if you really must know, it stands for: Ron's Wednesday rides with red wine.

Trip Information

June Float Trip w/Topeka Ski Club on the Niangua (June 24-26)

Topeka Ski Club has invited us once again for the June 24-25-26 camping trip and float on the Niangua River at Magard's Corkery Campgrounds, a camping spot halfway along the float. It has showers, electric & water available at the site. We've been here before - for a few years now, and the water is always the right temp, usually the correct flow speed & clarity. It's a trout fishing stream & stocked daily. Group breakfasts, and usually some sort of group dinners over the campfire has become standard. No flyer from Topeka yet. If interested contact Ron Lueck at rlueck@socket.net or 573-443-6219 days or 573-881-8861 evenings.

July Float Trip w/Kansas City Ski Club on the Elk (July 20-22)

Kansas City Ski Club has brought back their July float trip by popular demand for Saturday July 21. Camping is available if you wish, but this trip is for those liking an air conditioned bunk house with warm showers, and a Saturday evening meal catered to ya. It's at Shady Beach off Hwy 59, in the southwest corner of Missouri on the Elk River's east side, about 8 miles from Oklahoma & 4 miles from Arkansas. Shady Beach is about 2.5 miles North of Noel, MO. This is a weekend float, so expect the crowds to be there too. There's rooming to be assigned in the 3 bunkhouses with likely group breakfasts set up within each of the 3 groups. On Friday evening, some will likely travel 2 miles back up the Hwy to a cave restaurant at Lanagan for dinner and/or drinks. For more information see the flyer on our Trip Flyers tab. If interested contact Ron Lueck at rlueck@socket.net or 573-443-6219 days or 573-881-8861 evenings.
