

SAVE THE DATE:

GRAND CANYON RIVER RAFTING

The **Flatland Ski Association** is happy to announce that we are planning what could be the TRIP OF A LIFETIME – a week of Rafting the Colorado River through the Grand Canyon.

You'll want to save the date, and read through the attached information, so you'll be ready when registration opens. There will be a very limited number of spots, and you'll be required to make a down payment with your registration.

We'll be traveling with **Hatch River Expeditions** on one of their motorized 7-Day Full Grand Canyon Expeditions. **Hatch** has been running rafters through the canyon since 1934! There should be a brochure attached with additional information on their trips.

Dates: **Departs June 1 – 7, 2020**
(Overnight lodging on Sunday March 31 is included.)

Cost: **\$3,224 per Person**
(Includes lodging Sunday night, rafting, all meals while on the river, sleeping gear, and helicopter out of the canyon with return flight to starting point or Las Vegas. Personal items and alcohol not included.)

Deposit: **\$500 Due at Registration**

Register: **Registration Opens Monday, March 25, 2019**
You must register by April 30, 2019; spaces won't be held after that!

- An online registration link will be sent, or you can call to register.
- Details on registering will be sent next week & posted at the FSA Website.

Why so soon? Trips are limited by the National Park Service, so they sell out quickly. Many 2020 dates are *already* sold out. Don't miss *your* chance to go!

Questions: **E-mail or call Paul Snyder** (Past FSA Activities Director)
